

20th December - rules and guidelines!

THIS IS NOT A TICKET - YOU CAN BUY THEM ON THE DOOR UNTIL MIDNIGHT!

We hope you're excited to get spicier than a mug of mulled wine!

First of all - please make sure you either bring your I.D and proof of address, or submit it online if you are not a VIP or have not already submitted it for previous events - <https://www.pluscious-parties.com/id>

NO I.D. NO ENTRY! Please make sure you read and understand the rules - ignorance will not be an excuse, and we do not give refunds!

You can help us - and yourselves - by mentioning you're coming to all the usual places - fabswingers/swinghub/Fetlife...even social media if you're that open!

20th December

House of Poitier

226 Carshalton Road, SM1 4SA

9PM – 3AM

No entry after midnight!

9pm - doors open.

Come in, get changed (we have places you can change) Please do not try to come in earlier.

Anyone drunk or under the influence of drugs will not be admitted.

We have a zero tolerance policy on drugs in and around the venue, including cannabis.

10pm - Welcome chat & icebreakers in the lounge

Join in our Christmas matchmaking game! Decide how Naughty or Nice you want to be! Remember that your ticket gains you entry - everything else is up to you so use this as a good opportunity to meet other guests. A good chat will go a long way! Wandering around from room to room like the wanking dead will not.

Midnight - Doors lock, no entry allowed!

3am - We all leave QUIETLY.

DO NOT LURK/SMOKE/CHAT ON THE DRIVEWAY

Dress Code

Ladies – wear what makes you feel fabulous. Leggings, latex, lace, lingerie – your rules. You might also want to accessorise with a hand fan, and something to keep you warm once the heat wears off!

Gents – **dress down from 10pm.** We want man flesh! Towels, undies, robes.

No vests, no t-shirts, no excuses. **NO PHONES!**

Also consider wearing sliders or slippers – no trainers with towels please (No reason, it just looks silly)

Bring a towel or grab one from us (*but not the bathroom ones!*).
Kink rooms will be used as changing rooms til 10pm.

As it's getting colder, please consider bringing something to keep you warm whilst you're recovering from the heat of the action! Dressing gowns and robes are welcome. But things also get sweaty, so maybe stick a fan in the pockets.

Secure Your Stuff

You'll get a secure bag + lock. The lock's in a bag with a 3-digit code – **remember it**, or write it somewhere discreet.

Lost your code? We have them with us, please don't break the bag!

Bring back bags/locks/towels at the end. Towels go in the LAUNDRY bag, bags and locks go where you got them from. please don't leave them scattered around.

You can also bring your own bag and lock.

What to Bring

BYOB – We don't have a bar, but we do have plenty of fridge space so bring your own alcohol. We have a small stock of soft drinks, but still consider bringing your own.

We have condoms, lube, wipes in every room – or bring your faves.

Kinksters – bring your own toys (floggers/cuffs/collars etc)

Gents – you're welcome to bring your own towels!

And most importantly: **a good attitude**. Fat femmes are the main event – respect that. Pushy, entitled, or creepy men won't last. No play is guaranteed, so get grafting!

LADIES Please let me know if anyone is out of order - I'd rather have a hundred complaints on the night when I can boot them than one email in the morning when I can't.

COUPLES -Please talk through your do's and don'ts beforehand and stick to them. Whilst couples drama makes a great watch, it can dampen the mood so you may be asked to leave if you start having a domestic.

House Rules:

NO PHONES! Please lock them away in your bags when you arrive.

No drugs

No chewing gum

No drinks or food upstairs

No parking in neighbours driveways

Say goodbyes inside! No noise on the driveway pls!

Respect guests, the venue, and neighbours

CONSENT.

No grey areas. No excuses. If someone's drunk or unsure – the answer is no. Full stop. Read this before you come: pluscious-parties.com/consent-guide

Please ask for consent for everything from talking to touching someone. Ask the women if you can join in, NOT the men if you can 'have a go'.

Also please remember there are a few things we definitely don't allow without asking first, including but not limited to slapping/spitting/biting/choking. Basically ask before you do *anything*.

Please remember everyone is a guest. You pay for entry but everything else is up to you! Therefore please make sure you are clean and respectful, and very, VERY careful with long nails!!!

Last but not least –

The doors close at midnight, so please make sure you're in before then. Come early and enjoy the icebreakers at 10pm and you'll have a much better chance of making a good impression!

3AM - The lights come on, the music turns off, I will turn on something *terrible* from my playlist. Everyone must be off the premises by 3.15am, so please time your - ahem - *grande finale* well.

Like I said, we're a new event, but one of very few that prioritises plus size women..so if you want to make sure you have the best choice of play, then dropping a mention will go a long way!

Any questions? Just hit reply!

Can't wait to see your sexy selves in festive action

Love,
Miranda

PS -

Men and couples - if you want to be considered for VIP status, let me know at the party! We don't just go for looks, we like great party vibes and a fab friendly attitude! If we like the cut of your jib, we'll drop you an email!
